E & OE
 • In case of compatible spare parts, the warranty will be for 30 Days.
 • There will be no warranty for any type of software issues after repair.
 • 90 days repair warranty will not cover the water/physical damage to your repaired device.
 • 90 days repair warranty will be applicable on your device from the day after we delivered your repaired device.
 • To claim the 90 days warranty, you need to reach us out to our customer care with your booking id, we will note your concern and try to resolve as soon as possible.
 • We are only providing warranty on repaired parts during the repair process. Eg: If we repaired your display and after 5 days your display stops working then you can claim the warranty.
  But you repaired your display and then your device's speaker is not working then it will not cover under repair warranty. In short, we are providing warranty on repaired parts, not on whole device.
